

Seamlessly Integrate Ramp with Deltek Software

The Ramp integrations with Deltek Vantagepoint and Deltek Costpoint provides a secure, bi-directional data connection tailored for Professional Services, Architecture, Engineering, and Government Contracting firms.

DATA FLOW

Our seamless integration, built on the Astrata platform, automates data synchronization across vendors, accounts payable, expenses, projects, and more, eliminating manual entry and improving data integrity to save time and reduce errors.

How the Integration Works

- **Who will I work with?**
Both Ramp and PCI—Ramp handles setup, PCI manages the integration.
- **How long does it take?**
Go live in 3 to 12 weeks, depending on integration complexity.
- **What happens after go-live?**
Astrata handles your needs seamlessly, with PCI providing ongoing support.
- **What does it cost?**
A monthly subscription plus a one-time setup fee, based on your integration level.
