

Customer Success Story

PCI is the trusted leader in financial management consulting, implementation, and audit support for government contractors, marketing agencies, and professional service firms. We don't just provide solutions—we offer comfort and assurance, guiding you through every step of the process with unmatched expertise and a commitment to your success.

ABOUT SIRIS

SIRIS, a CVE-verified SDVOSB, specializes in CM/PM design, construction management consulting, and commissioning. The company aspires to be entrusted with the most formidable projects, striving for excellence in every endeavor. Guided by the belief that how one approaches anything reflects how they tackle everything, SIRIS is committed to becoming an organization capable of handling monumental challenges. Its core values—justice, mercy, humility, and courageous leadership—are not just principles but the foundation of its identity, driving the company to achieve the extraordinary.

Company: SIRIS

Headquarters: Mount Pleasant, SC

Industry: Construction

Employees: 35

Products & Services: Deltek Costpoint

Learn More: sirisusa.com

CHALLENGES

- Limited reporting capabilities in QuickBooks, making it difficult to manage the business effectively.
- Lack of visibility into the overall health of projects, hindering informed decision-making.

BENEFITS OF COSTPOINT

- Enhanced reporting capabilities, allowing for more detailed and actionable insights.
- Improved ability to monitor business performance and project health in real-time.
- Greater control and visibility, enabling better management and strategic planning.

“PCI has been a great help and an excellent service getting Deltek Costpoint up and running for our company. They are very knowledgeable and very friendly to work with. I would highly recommend them to anyone.”

- Scott LeMaster, Accounting Manager, SIRIS
